POKÉMON HAVE TAKEN OVER YOUR TV!

Surf different channels with your pal Pikachu by your side as you interact with loads of Pokémon-style shows. It's a whole new kind of Pokémon fun! With Pokémon news, a quiz show, an art class and a host of mini-games to play, there's no end to the things you and Pikachu can explore together. Check out this guide for Pokémon TV selections.

Buy cool stuff for your room from Squirtle's ever-changing selection of Pokémon-styled decorations, collector cards, Pokémon mini-games and bus passes that let you travel to distant regions. Shop daily to find new ways to light up Pikachu's life.

PNF
POKÉMON NEWS FLASH

Psyduck delivers the news and Meowth reports on-location. By watching their news reports, you'll learn much about the Pokémon world—and catch lots of hints about where to meet Pokémon on your travels to distant areas.

Freeze the TV action and then color in the lines. Smeargle will study your creation. Every time you create another painting, you'll get purchase points for your old one!

Pikachu Bros. IN PARTY PANIC!

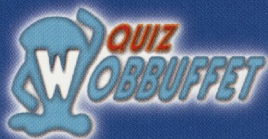

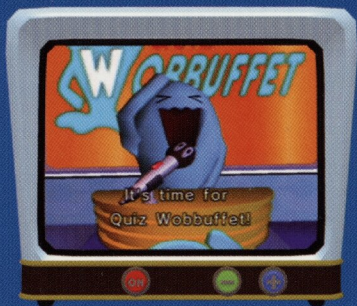

Watch a full-length cartoon in a series of five parts. Unfortunately, the ending goes missing. You'll need to hunt high and low, meeting with various Pokémon, to find it.

SMOOCHUM ★ SHAPE-UP

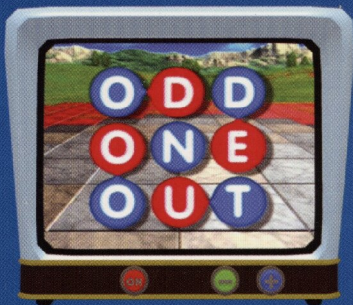

A Smoochum twists, turns and tries to get TV viewers to exercise. Pikachu loves the program and follows along with Smoochum's moves—and asks you to work out, too.

Watch Pokémon participate in Wobbuffet's game show that asks players to identify Pokémon. Sometimes Wobbuffet asks the home audience to guess. If you answer the question correctly, you'll win purchase points.

**ODD

OUT**

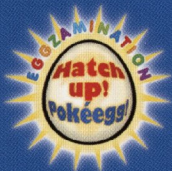

In this game of chance, Oddish run onto a field, and you'll need to guess whether their total is an odd or even number. The faster you guess, the more purchase points you'll win if you're correct.

Smoochum gossips about everything that's happening in the area—what you've been doing lately, what you've bought, which Pokémon you've visited, what channels you watch and much more.

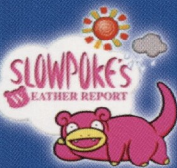

Choose one of several fortune cookies to see what wisdom Chansey has for you. You can break a cookie only once each day, so if you're hungry for more wisdom, you'll need to return much later.

The multiple-choice game asks you to guess what Pokémon will hatch from an egg. If you're right, you'll earn purchase points. You can also learn Pokémon trivia and listen to a tranquil soundtrack while you wait.

Turn on, tune out—catch some Z's or relax to calming music as you watch a never-ending stream of Mareep leap over a countryside fence. Truly soothing.

Watch Slowpoke wander over to a weather board and point out the weather forecast for one of the distant regions. Slowpoke's always correct—the weather will instantly change to weather it predicts.

More Pokémon Fun:

Pikachu loves to get out and travel with you. Go to four distant adventure areas, where you'll meet Pokémon and find new items for Pikachu to play with. You can also participate in a wide range of outdoor activities.

Play Outside with Pikachu

Turn off the TV and play virtual versions of Pokémon mini—the handheld mini-games that offer quick, fun Pokémon action.
